

## Shareholder Communications

Western Gold Resources Limited (**Western Gold**) is focused on reducing our carbon footprint whilst providing you with timely corporate updates and disclosures.

Recent legislative changes to the Corporations Act 2001 (Cth) mean there are new options for how Western Gold shareholders receive communications. Western Gold will no longer send physical meeting documents unless a shareholder requests a copy to be mailed.

Receiving your shareholder communications electronically is the best way to stay informed and will assist Western Gold with its commitment to minimising paper usage. If you haven't already, **we encourage you to make the switch to paperless communications and provide us with your email address.**

To make the change, go to [Automic Registries Investor Portal](#) or contact the Registry:
